PROFILE

BBA Strategic Finance student at CMS Jain University, pursuing the US CMA qualification, with a strong interest in finance, business strategy and marketing. Focused on how businesses use financial and market insights to drive growth and decision-making. Comfortable with digital platforms, data analysis and online research, and a proactive learner with strong communication skills. Seeking an internship to apply academic knowledge, learn from industry professionals and build a foundation for a career in finance.

PROJECTS

Financial Ratio Analysis: Asian Paints vs Berger Paints — In progress

Personal Project

- Analysing 3 years of annual report data and calculating liquidity, profitability and leverage ratios in Excel.
- Comparing the two companies' financial strength in a 2-page summary report.

Budget vs Actual Variance Model — In progress

Personal Project

- Building a monthly budget and actuals tracker in Excel for a small business scenario.
- Calculating favourable and unfavourable variances, applying US CMA Part 1 concepts.

WORK EXPERIENCE

Fresher, seeking a first internship in finance or business. Eager to take on new challenges, apply academic knowledge from my BBA and CMA studies, and gain practical industry experience.
